Dear Mr. Clark:

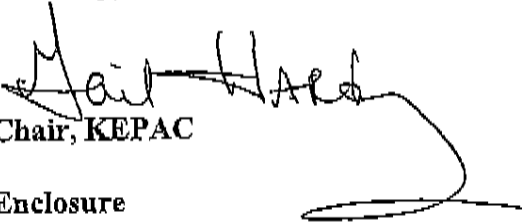

The Kentucky Educators' Political Action Committee is pleased to recommend your candidacy to our members in your legislative district. The recommendation is offered as a result of your previous or committed efforts on behalf of the thousands of children and school employees in Kentucky's public schools.

KEPAC members in your district will render their efforts to help ensure your successful campaign for this and/or future election/s. We understand the cost of elections; therefore, the enclosed check is for use in your campaign or your continuing need to keep positive relationships with our members.

In addition, we understand the importance of grass-roots activity. To that end, we will send out direct mail pieces to our members on your behalf if needed. Also, our members may be in touch within the next week or so to discuss additional ways we may volunteer our assistance.

Congratulations on your recommendation. I, along with other KEPAC members, wish you well and look forward to working with you in the coming months.

Sincerely,

  
Chair, KEPAC
